Executive Orders

in re

Civilian Defense

the orders and regulations herein set forth, or in such other manner as may be approved by the Director of Civilian Defense. Railroad stations, buildings and other railroad structures shall be governed by the orders, rules and regulations covering buildings as herein set forth, subject to such modifications as are deemed necessary, and as may be approved by the Director of Civilian Defense.

15. When the signal for a blackout is given, all traffic signals which have not been shielded in conformity with the blackout standards, fixed and approved by the Director of Civilian Defense shall be extinguished.

16. When the signal for a blackout is given, all street lighting shall be extinguished as rapidly as possible without interrupting the electric, gas, water, fire, power and other similar services supplied to the locality.

17. The intensity of all fire and police signal lights shall be reduced as far as practicable and such lights shall be shielded in such manner that no light is visible above the horizontal.

18. The authority under which work is being done on any street or highway or other outside place shall protect any excavation or obstruction made in connection therewith, with an adequate white marker, properly shielded lights or a watchman.

19. The Director of Civilian Defense shall make such additional rules and regulations for blackouts and air raid warnings as may be necessary to effect the proper and immediate compliance with the orders, rules and regulations herein set forth.

20. The Director of Civilian Defense may authorize a reasonable variation from the orders, rules and regulations herein set forth whenever in his opinion the public welfare, safety or convenience may be promoted thereby.

SUMNER SEWALL,
Governor of Maine.

February 28, 1942.
